Certificate of RoHS Compliance

30 October 2014

Tekron International Limited certifies that our lead free cables & assemblies identified by the product family listed below are compliant with the European Union Directive 2002/95/EC for the Restriction of the use of Hazardous Substances in Electrical & Electronic Equipment (RoHS).

Product family: TSC100

No Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent Chromium (Cr+6), PBB or PBDE is intentionally added to these assemblies. Any trace impurities of these substances contained in the parts are below the RoHS specified threshold levels:

Cr+6, Hg, Pb, PBB's, PBDE's < 1000ppm
Cd < 100ppm

All information provided in this Certificate of Compliance is accurate, to the best of Tekron International Limited's knowledge, as of the date this certification was issued.

Regards
